President's Message

Hello fellow Guild members,

As I sit down to write this, I am remembering the day I first came to the OAP Hall to join the Guild. It was a bit intimidating – but I had my neighbour's daughter to show me around and introduce me (thank-you Roseanne Tinckler!). I sat across from Raelene Robertson, Bonnie Smith and Margaret Letkeman among with others and they were friendly and encouraging (more thank-yous!). It all turned out just fine. Better than fine. This Guild rocks! I love being a part of it.

It is also a bit intimidating to write the Co-President's message – please bear with me. I would like to use today's Co-President Message to reiterate and highlight a handful of Guild business.

First of all, a reminder that the start time for the October meeting will again be at 6:30pm. [This month coffee/tea/goodies will be available at 6:00pm.](#)

The plan is that you will be seated and enjoying your coffee/tea/goodies **DURING** the business part of the meeting. (The kitchen gals will be cleaning up during the business part of the meeting so that they can take in the Program and Show&Tell.)

Our program for October is going to be four demos... really looking forward to that! We'll have a brief break following the Program for workshop sign up and President's Challenge sign up. We'll reconvene to have the draws and Show & Tell. Remember to come early to set out your goodies (for surnames C, D & E this month), to set out your Show & Tell, to enter the Word Search draw, to buy raffle tickets, to visit and laugh and talk and get coffee/tea/goodies and find a seat. Whew!

And please let the executive know what you think – phone us, email us, talk to us – about the changes to the monthly meeting. Thank-you for your feedback.

I will also be taking your registration for the UFO President's Challenge at the October meeting. You are hereby challenged to finish a UFO! The Challenge will cost \$5 and be refunded when you present your finished UFO at the April 2017 monthly meeting. Did I mention there will be prizes? Whoo hoo!! I love prizes!

The challenge has 4 categories:

Category 1	UFOs 1-5 years old
Category 2	UFOs 6-10 years old
Category 3	UFOs over 10 years old
Category 4	blind swap UFOs

You don't have to bring the UFO with you to the October meeting **UNLESS** you want to register for Category 4.

For Category 4 – the blind swap – please bring your UFO in a bag or box that conceals its contents. We'll make the swap by draw and you'll take home your new UFO.

I look forward to seeing you at the October 6, 2015 general meeting.

Pat McEwen,

Memberships

Don't forget to renew your membership. You need to be a paid member to enjoy the benefits of the guild...

Membership Dues 2016 -2017

A gentle reminder to all new and returning members that Annual Membership Fees should be paid by the end of October 2016. There is usually at least one of the Membership Committee available each Thursday, eagerly waiting to take your money, cash or cheque. Sorry, we don't give away free glassware, candies or any other goodies with paid membership. We feel that our annual fee of \$60.00 is great value for money as it is!

Carol Metner and Carreen Webber make up the Membership Committee. If the business meeting is the only time you come to the Guild, be advised that we will be at the O.A.P. Hall from about 2.30 pm onward. (At least, one of us will be, lol). If there is only one of us present that night, your patience is requested. One of us is traveling.

New expiry date stickers to put on the back of your membership cards will be available also.

Thanks,
Carol and Carreen

CAMP HOMEWOOD RETREAT October 19 to 23 2016

So excited to advise all of you that our next Camp Homewood retreat has been scheduled for *four* days, providing us with one additional day of sewing and socializing. It will run from Wednesday through Sunday, October 19th – 23rd, 2016. Sign up for the October retreat will be at the business meeting with a \$50. deposit due upon registration. If you do not feel you can attend for a full four days please do not let that deter you from registering as it may be a possibility for some of you to attend for three days only.

Depending on sign-up numbers we may also have the option of opening up the guesthouse for more private rooms. For further details concerning the guesthouse please speak to one of the retreat coordinators listed below. The cost per individual for the *four* days would range from \$227. to \$267., depending on the room you choose. The starting range of \$227. is a bunk style dorm room which sleeps up to 7, however on average there are usually anywhere from 3 to 5 in these rooms. Individuals in these rooms have shared bathroom/shower facilities. There is a separate handicapped washroom available to any that may require ease of access to toilet or shower. There are also newer rooms available which sleep up to 3 and have their own washroom, including shower/tub. These rooms are either \$254. with 3 sharing the room or \$267. with only 2 sharing. All prices include 3 meals a day along with snacks in the evening consisting of cookies/squares, fruit, coffee, tea, and hot chocolate. The meals at Camp Homewood are excellent . . . and you will never walk away hungry!

If you have never been to a retreat at Camp Homewood we urge you to give it a try. It is a lot of fun and a great way to get to know your fellow quilters. Most quilters who have attended previous retreats become regulars. If you wish to sign-up or for further information please contact one of the retreat coordinators listed below. Our contact details can be located on the guild website under “retreats” or by viewing the membership list.

We look forward to seeing some new members as well as all of our regulars at one of the upcoming retreats.

2017 “QUINTESSENTIAL SESQUECENTENNIAL” QUILT SHOW

How's that for a name?? Thanks to Verna for that suggestion – we will have to check with Eva to see if she can fit it on the posters!

The Committee met for the first time on September 8th & the countdown is on! Thanks to all those that have volunteered; not only to serve on the committee, but the many that are “waiting in the wings” to help out at any time.

The upper & lower halls are booked for May 19, 20, 21 & 22, 2017 and we have 7 (soon to be 8!) merchants confirmed.

The Committee positions have been filled with the exception of **raffle basket coordinator(s)** Carol Metner & Lynda Reid did a wonderful job with the raffle baskets for the last two quilt shows & they would like to retire & volunteer for something new. We have some “helper” volunteers, but someone is needed to coordinate. It can be more than one person. These baskets have been very successful in the past so we really want to offer them again. Please contact Verna or Nerissa for more information.

We also need a **photographer**. Job description is pretty obvious, so if you're interested, please contact us.

The next meeting of the Quilt Show Committee will be on Thursday October 13th & everyone is welcome to attend.

Nerissa & Verna

Greetings from the Kitchen Cops!

A few gentle reminders for everyone as we meander into our autumnal season & the general meeting refreshments. Please bring your own mug or cup to be taken home & washed as our kitchen space is limited.

Payment for coffee/tea business meetings is by voluntary donation. It is suggested that each member who has a drink provided by the refreshment committee shall donate \$5 per year or 50 cents per cup.

Using these donations the committee shall purchase teas, coffees, milk & sugars for the meetings.

Goodies are eagerly accepted but there is a designated rota for each month available in the newsletter. Please respect our gluten free members by refraining from sharing their treats. Thanks so much.

Looking forward to a happy & productive fall from your refreshment committee...

Shirley Krotz, Trudy Thorne & Bonnie Linneker

"Reminder to Members

Got something you would like to raise at an upcoming meeting? Please let me know by email no later than the day before the meeting so that we can allocate our time more efficiently in the business portion of our meetings. This includes items to be addressed under Members' Announcements.

My email address is secretary@schoolhousequilters.com

Patti (Secretary)

Australian Crunchie

I am not sure where this recipe comes from, but it is hand written in my Grandmother's cookbook. Actually the notebook is an old science notebook of my mother's. The recipes are either hand written (various different styles of writing) on pieces of paper and stuck in, or written in the margins, or typed and then stuck in, or cut from magazines or? You get the picture. Said notebook has also been left on a burner on the stove top at some point as the cover is scorched!

I should add that I am translating the measurements into Canadian here! I will put in the ounce (oz) weights for those who have weigh scales, and you can correct me if I have them wrong! Having said that, this recipe is OK with more of one item/less of another or variations thereof.

1 Cup margarine or butter (8 oz) ½ Cup + 1 Tbspn white sugar (5 oz)
1/3 Cup coconut (3 oz + / -) ½ Cup cornflakes (2 oz)
1 Tbspn cocoa powder 1 Cup unsifted flour (5 oz) 1 tspn baking powder

OK. I have used cornflakes, crushed rice krispies and cheerios in this recipe. The cheerios were not a success (they did not crush into smaller pieces and became tough).

1. Oven 375 degrees F. Grease a 9" x 12" baking pan.
2. Melt margarine or butter over a low heat. Remove from heat.
3. Gradually work in the dry ingredients. (Make sure pan is big enough when you start).
4. Press firmly into the prepared tin.
5. Bake for about 30 mins.
6. Cut into pieces while warm. When cold, coat or drizzle with melted chocolate if liked.

Freezes well.

Rain Forest Quilters

On Thursday, October 13th, the Rain Forest Quilters (a loose affiliation of quilters in Port Alberni) would like to Host a number of Quilters from Comox Valley. The itinerary would be lunch, provided by them, with a Show 'n Tell following. We would then be free to sit and quilt with the group or go shopping at the Port Alberni stores or come home. The Hall is rented till 8 p.m. so one could stay till then if you chose to do so (no machines please, just handwork). Once the list of attendees has been compiled details as to time and place will be confirmed.

Kismet is available for shopping, of course, and 'Pincushion' on 3rd Ave., in a limited manner. 'Pincushion' is closing and currently the fabric is 60% off. It is getting picked over but there are still quite a few regular cottons as well as batiks. The owner plans on being open until the end of October.

Please e-mail me or phone if you are interested in coming. Due to the size of the Alberni group we should restrict our numbers to twenty, so names will be taken on a 'first come, first serve' basis.

This is an opportunity to meet some new people with like interests or to visit with some old friends. It is now the fifth year that we have done the exchange and it is an enjoyable outing.

Thank you.

Book Review

Skinny Quilts and Table Runners II

15 designs from celebrated quilters

edited by Eleanor Levie

That Patchwork Place 2009

Guild Library #366

Eleanor Levie has done another excellent job of publishing 15 more designs for narrow quilts.

You may recall the first book, "Skinny Quilts and Table runners I". Eleanor preaches that quilts can be both art AND craft - look at her skinny quilt on page 77 - it certainly captures the scene as would a painter!

The variety of quilts range from folk art to historical reproductions, with many contemporary quilts in between. Quilters featured are mainly Americans, many names familiar to a lot of us. To begin, however, an Australian quilter has captured the "outback" with bold colors and even a hint of aboriginal art. Following "Outback Sunset" is "Autumn Leaves" by Jane Davila. What a contrast! Jane's strength lies in art quilting and in this quilt she even incorporates copper wire swirls couched onto contrasting fabric squares.

Karla Anderson, author of "Stack the Deck", has adapted her speed piecing technique to make "Rungs". Here she cuts blocks and strips, shuffles them and sews - result, a skinny quilt which looks very elaborate, made in no time! Fusible applique is used on "Birds of a Feather", while Sue Spargo has produced "Four o'clock Folk Art" using slightly felted wool for her applique pieces. In this folk art piece, there is neither batting nor quilting, but the piece exudes warmth.

(Continued on page 10)

(Continued from page 9)

Lonnie Rossi, well known for her fabric collection with Andover, has provided "Seasons of the Moon" using her mottled, swirly, metallic, sophisticated prints. Next comes a bold and bright "the Dalia is a Diva" by Julie Popa of Sunflower Hill Designs. Fusible applique with machine blanket stitch makes quick work of this runner.

A sharp contrast again, between "Starry Night" with its pieced eight point stars, and the next project, "Flowing Lines". This skinny quilt is simply seven long gently curved pieces of fabric sewn together - very elegant! Frieda Anderson's "Blushing Aspens" demonstrates a new method for joining curved leaf edges to background fabric, rather than using applique techniques - interesting! Jo Morton is well known for her reproduction of antique quilts and "Rhubarb Crisp" with its sawtooth stars and flying geese doesn't disappoint. Two more classic patterns, the pieced House block and Oak Leaf and Reel applique are combined in "An American in Paris", resulting in a lovely, romantic quilt.

"Wisteria Lane" is a gorgeous fused quilt with wisteria growing up a brick wall. Mortar on the bricks, vines, stems and wisteria clusters are all fused to the background fabric - what a stunning result! Sue Benner has yet another take on flowers with her "Fabulous Cut Flowers". Instead of individual fused flowers and leaves as in "Wisteria Lane", Sue goes big, and fuses colorful layers on top of colorful layers, resulting in five magnificent flowers. Often the use of thrift shop silk and rayons provide more zing to these flowers.

Each quilter/artist provides a material list along with very clear instructions and diagrams for each project. Full size templates are included along with quilting suggestions, while general directions are briefly included at the end of the book. "Skinny Quilts and Table Runners II" is so full of ideas, suggestions and 'how tos' it could almost be a quilting guide all on its own. Take a look! Become inspired!

OCTOBER 2016 WORKSHOP NEWS

Wow! Your enthusiasm for classes knows no bounds!

We had only 2 weeks to advertise and fill the first class of the year, Hand Quilting with Anne Taschereau Mamers. The class started on September 15th and we actually had *three* over the 10 participants required to fill the class!

It looks like we're in for a great year of classes. Don't miss out on the 2 classes remaining for this fall. Both of them are already 2/3 full.

Sliced Circles with Ionne McCauley

Saturday, October 29th

Circles are among the most satisfying shapes to work with and the combination of circles and straight lines is exciting! Play with great, favorite fabrics and create a wall hanging-sized art quilt top, while you learn about shapes and lines and designs. Quilting options are discussed for your finished project.

Christmas Workshop – Fold 'n Go Wreath with Janis Davis

Saturday, November 26th

Need a pretty seasonal wreath or a unique table topper? Grab some fabric and the pre-cut stabilizer below and whip up this dimensional design in just an afternoon and you'll have a one-of-a-kind look to show off to all your friends and family! It's a simple pattern that includes complete, step-by-step instructions and a template with accompanying photos to complete the lovely design. Finished size is 21" in diameter.

For spring we are working on a much-requested Bargello class, a Mystery Quilt with Janis Davis, and one other class. As soon as we have details, we'll let you know.

Thanks for supporting guild workshops. Remember, taking a class is a great way to meet people you don't always see at meetings or on Quilting Thursdays.

Classes are a fun and productive way to spend a day!

Your workshop committee,
Eva Hansen, Lynda Reid, Bonnie Smith

Placemats For Christmas Hampers

In case some of the new members do not know, we do placemats for the unsponsored Christmas hampers every year.

Families always get the corporate sponsors & the singles are left out of the sponsorship program and end up with skimpy unappealing hampers. So a few years ago we started giving the Salvation Army placemats to give a little colour to the singles hampers.

There are many wonderful patterns out there for placemats & lots of simple ones as well. One thing I have done this year is to take all the orphan blocks I could find, mine & others, and have put them into packages with backing & batting just waiting for someone to complete. They are located in the hamper in the store room. Orphan blocks of any size can be used for placemats...just add borders to make the placemat approximately 13" x 17" which is the ideal size for placemats.

There is also a pattern on the website to make 4 placemats from 4 fat quarters or you can use scraps to make up a single placemat with instructions on the 4th page of the instructions on the website. There is backing fabric & batting available from any Community Quilts committee members. And if you need any Christmas fabric...just ask...I have lots!!!!

Hope everyone is willing to make a placemat or 2 before the December meeting.

Thanks, Sharon Latham

Comox Valley Exhibition 2016

Once again the exhibition completed a successful Fall Fair and the Quilt Show was an important part of that exhibit. The Quilt portion had 121 registrations and, in the end, 118 items came in and were displayed for public viewing.

In 2015 the curling rink was under construction and the quilt show was housed in the 'Red Barn' facility and in a tent. There were problems so it was much nicer being back in the curling rink in 2016...with the inherent benefits of rigid roofs and walls.

The Schoolhouse Quilters were an important part of that Show. While there is no formal link between the Quilters and CVEx many of the volunteers and organizers of the Comox Valley Exhibition wear two hats in that they are members also of Schoolhouse Quilters. Volunteer hours are monitored and entered into the CVEx records; the 2016 Quilt Show alone amassed 500 hours of time which is an astounding number. Kudos to all those volunteers who willingly gave up their time to facilitate the Event. Some people gave of themselves with extraordinary commitment and **special thanks to you.**

I know who you are and you know who you are; give yourselves a pat on the back.

For Sale: Bernina 820 sewing machine

Includes wheeled
travel bag worth \$300

and Bernina BSR stitch regulator

Too many features and accessories to list.

Why am I selling this almost new machine (just in case you are wondering)?

2 reasons: I bought it so that I could quilt my own quilts, but with all my teaching commitments, I don't have time! Secondly, it is too big to take to all the classes that I teach.

Asking price: \$3,800
