

Hands across the water Challenge 2010 Nature

Study nature then brood on it and treasure the creation which will result
Paul Gauguin 1848-1903

Description

Create a project which shows your interpretation of Nature .

Some words to help you get started:-landscape, mountains, rocks, trees, flowers, birds, animals, sea creatures, oceans, shells, sunrise, sunset, wind, waves, storms.

Rules

The challenge piece can use any method of construction which results in 3 layers.(top, batting, backing)
Maximum size;- a perimeter of 96 inches. Any shape is permitted.

Your quilt should include the colour yellow.

Projects are due at the HAW meeting on Quadra Island on 2nd October 2010

Each project should be accompanied by a written explanation attached to the front of the quilt with a safety pin.

Please do not put your name anywhere.

Judging

The Nature creation will be displayed during the HAW. Meeting on 2nd October 2010

Everybody present will be able to vote, by ballot, for the winner.

The winner will be announced at the end of the meeting.
